In view of the special conditions existing to-day, we have decided that a catalog, such as we have issued annually, would be too inflexible as a sales medium. Changed prices have not adversely affected the high quality we have always maintained. We are meeting present conditions by giving greater value, not only in lower prices, but also in quality and service.

ORDER EARLY — SAVE MONEY

5% Discount on Orders (with remittance in full) received between March 1st and April 15th, 1933.

Our Office and Sales Grounds are located at our Nurseries halfway between New Haven and Milford at Woodmont, Conn., and can be reached from either the Boston Post Road (Route 1) or the Shore Road (Route 337).

We maintain a Landscape Dept. for the benefit of our customers and are always willing to offer you our experience and knowledge in helping you solve your planting problems without charge, however where we are called on to render special services that require special visits, plans or specifications, a reasonable charge must be made.

We are open on Sundays from 11:00 A. M. to 6:00 P. M. and will be pleased to serve you.

Delivery. Auto-truck delivery within a range of 75 to 100 miles from our nurseries is quite economical, providing the order is of sufficient size to make a truck-load. Charges are made according to the size of the truck and the distance traveled.

No Charge is made for local auto-truck delivery within 10 miles of our nurseries at Woodmont, except when special trips are requested.

A Certificate of Inspection accompanies each order, assuring its freedom from insect pests and disease.

NOTE

We could not naturally list all the items we carry in this folder, and have not listed any flowering shrubs, perennials or roses, all of which we carry a complete assortment.

We can take care of your full requirements.
